

Amneal Pharmaceuticals LLC
Return Goods Policy
November 1, 2018

Amneal Pharmaceuticals LLC (“Amneal”) values the business of all of our customers and is committed to providing our customers with excellent service in all phases of their relationship with us. To ensure returned goods are processed and credited in a timely manner, Amneal has contracted with Inmar Pharmaceutical Services (Medturn), as our exclusive processor to administer expired product returns. All other returns (overstock, damaged, etc.) will continue to be processed directly by Amneal. Amneal will not assume responsibility for processing or handling charges incurred by customers using other return facilities/policies or wholesalers for processing and destruction costs.

In order to return expired Amneal product(s) only, please visit Inmar’s website at <https://clsnetlink.com>. Customers will be required to upload a debit memo in PDF format. This is the most efficient way to obtain your return label and track the progress of your return. Costs incurred by Amneal due to failure to follow these instructions, or for the return on non-Amneal product(s), will be deducted from the credit issued.

Customer Service representatives at Inmar Pharmaceutical Services are available to answer questions you may have on how to return expired product at 1-800-967-5952.

In order to return current dated (overstock, damaged, etc.) Amneal product(s) contact the Product Returns & Discrepancies Supervisor at 866-525-7442 or email customerresponse@amneal.com . All current dated returns, once approved, must be accompanied by your debit memo showing NDC, Quantity, Lot # and Expiration Date then forwarded to:

Amneal Pharmaceuticals LLC
118 Beaver Trail
Glasgow, KY 42141

NOTE: Product returned to an incorrect location will not be given credit.

Credit

Credit will be issued at Amneal’s discretion, based on the following:

- Credit will be provided through credit memos only
- No credit will be issued for “paper only returns”. Product must be returned for credit.
- Returned quantities will be audited by the Amneal return goods processor, and final credit will be based on the Amneal return goods processor’s count.
- Amneal reserves the right to destroy without notification, credit, exchange or return to the customer, any product return that does not conform to this policy.

Returnable Product

- Original, unopened, seal-intact product within six (6) months preceding the expiration date (in dated) and up to twelve (12) months past the expiration date (outdated) are eligible for credit. Product expiration date is the last calendar day of the month.
- Partial returns will only be accepted, if required, in accordance with current state statutes of Georgia, North Carolina, and Mississippi.
- Prior return authorization is required to return product(s) where applicable. Credit will not be issued without prior notification and authorization of the return. Amneal shall have no responsibility or liability for product(s) returned without prior notification.

Expired Stock

Credit for generic products will be calculated and issued based on (i) current invoice price for wholesale customers returning unsold product, or (ii) the lowest contract price charged in the most recent twenty-four (24) month period; less a twenty-five percent (25%) processing fee.

Credit for brand products will be calculated and issued based on the current wholesale acquisition cost (WAC) of the returned product, less five percent (5%). With respect to direct/ indirect contracted buyer, credit will be issued based on current contract price of the product returned, unless otherwise required by applicable law.

Shipping Errors

Amneal must be notified of any shipping disputes within three (3) business days of receipt of product(s). Product(s) shipped in error by Amneal must be returned within thirty (30) business days of shipment to receive one hundred percent (100%) credit. Contact Amneal Returns Department to arrange for the return of said product(s). Product(s) returned after thirty (30) business days of shipment shall be considered excess stock (see section on Excess Stock below).

If the error involves controlled substance products: Amneal must be notified within 24 hours of receipt of the order, of any overages or mistakes in the controlled substance order.

Customer Ordering Errors

Amneal must be notified of any ordering error within three (3) business days of shipment. Product(s) ordered in error by customer must be returned within thirty (30) business days of shipment to receive credit. Customer is responsible for a ten percent (10%) of Invoice Price handling and restocking fee with a minimum of \$250.00. Product(s) returned after thirty (30) business days of shipment date shall be considered excess stock (see section below on Excess Stock).

Excess Stock

Product(s) not shipped in error or not ordered in error shall be considered excess stock when returned. Customer may be charged a twenty-five percent (25%) handling and restocking fee.

Non-Control Damages/Shortage

Amneal must be notified of any shipping disputes within three (3) business days of receipt. In an effort to minimize any delay in resolving damage or shortage claim, all orders will be deemed counted and inspected upon customer's acceptance of delivery from the carrier. Any exception must be noted on customer's copy of the carrier's packing list and freight bill or bill of lading. The carrier must countersign the packing list and freight bill of lading. The customer must forward the signed packing list and freight bill or bill of lading to the Product Returns & Discrepancies Supervisor, at the address provided above. Product damaged at the customer's warehouse or store level is not returnable.

Control Products – Damages/Shortages

If the issue involves controlled substance products Amneal must be notified within 24 hours upon receipt of any shortage in the controlled substance order. Shipments signed for without discrepancies will obligate the customer to report controlled product substance shortages directly to the DEA on a DEA-106, Report of Theft or Loss of Controlled Substances, online at:

www.deadiversion.usdoj.gov/21cfr_reports/theft/index.html

Obsolescence and Rate Return Limits

- Amneal reserves the right to limit or restrict customer purchase activity for customers with product obsolescence and/or return rates higher than five percent (5%) on any given product per year.

Epinephrine Auto-Injector

- Returnable Product (Credit):
 - Return of Epinephrine auto-injector in the two-pack configuration is limited solely to expired product (no greater than 12 months past expiration date)
